This page describes the Expert mode. Please refer to the [Getting Started](#) page for a description of the Lite mode interface.

Click on each tile to know more about each feature

The menu bar on the left provides access to the different features. Each tile gives you access to the various features and settings offered by TSplus Advanced Security.

Advanced Security displays the five last [Security Events](#). Click on any event to open the complete list of events in a separate window.

Below the last events, three tiles provide quick access to:

1. the [system audit](#)
2. [new version availability](#)
3. the [license status](#).

Please select your display language using the dropdown located in the top right corner, should the application did not detect your language.

Finally, clicking on the "Help" button will redirect you to this documentation.
