Activate your subscription

TSplus Remote Support licensing

The 15 day free trial of Remote Support starts when the first outbound connection is initiated.

Once the trial period has ended, a subscription to TSplus Remote Support is required to take control of a remote session.

A subscription provides the capability for licensed agents to take control of a remote Windows session. For example, if your support team has 20 members but only 15 agents are staffed each day, then a subscription for 15 agents is required. All 20 agents are able to have registered accounts, but only 15 may be active simultaneously.

Sharing your screen with TSplus Remote Support does not require a subscription. Your clients to seek help from your customer support team without registering or subscribing.

How to subscribe

A subscription for Remote Support can be purchased directly from the home screen of the software, by simply clicking on the 'Buy Now' button on the bottome right.

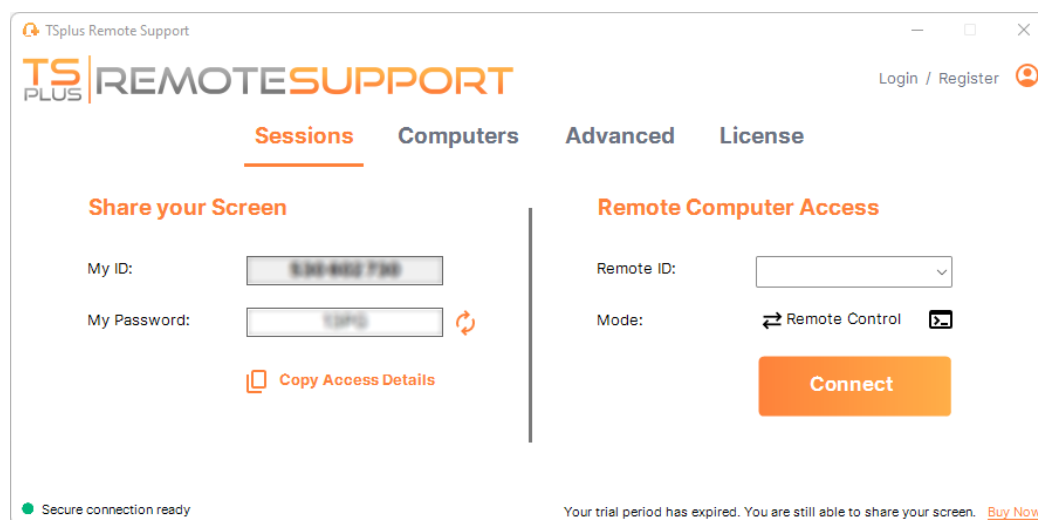

Your subscription key will be sent to the email address provided during the purchase. A valid subscription key looks like follows: "S-0123-ABCD-4567-EFGH".

Please visit TSplus Remote Support Pricing website for pricing information.
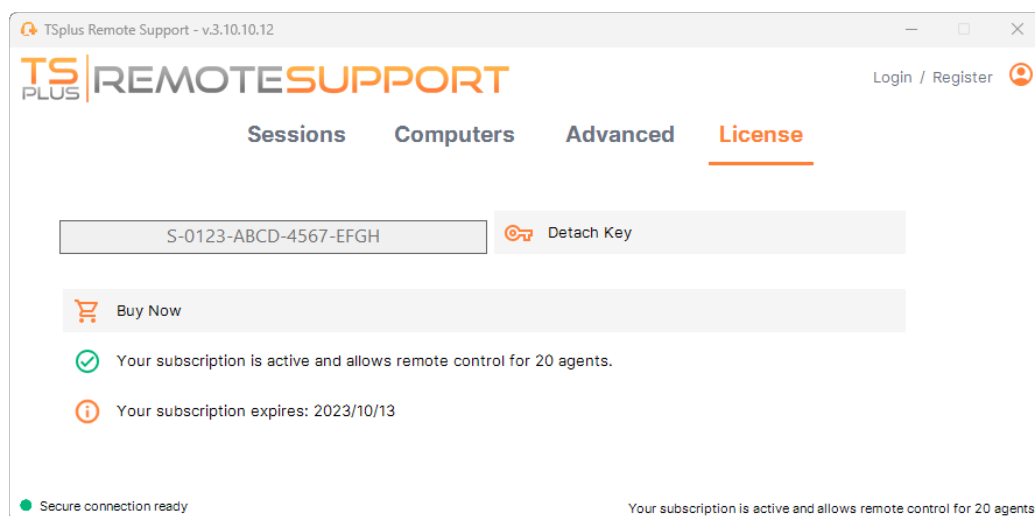

Activate your subscription

To activate your subscription, run TSplus Remote Support program on an agent computer and then click on the **License** menu to navigate to the licensing tab.
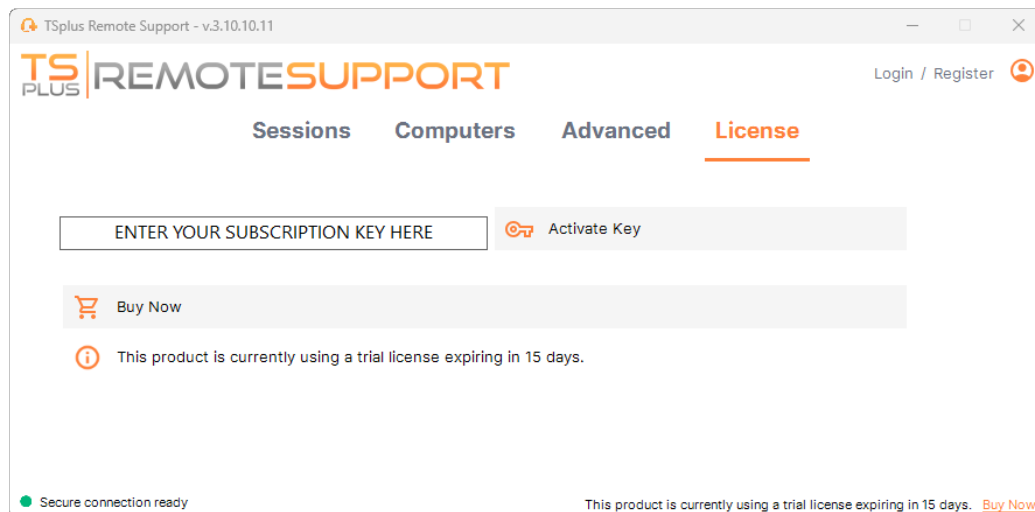

The **License** tab is the place where agents can:

- Activate a subscription by typing a subscription key and then clicking on **Activate Key** button
- Purchase a subscription by clicking on **Buy Now** button
- Review the current license status

There, enter your subscription key and click on **Activate Key** button. Following the activation, the license status will be updated:

The license status is refreshed following each activation and every time TSplus Remote Support program starts.

Managing your subscription

To manage your subscription, connect to our Licensing Portal and enter your Email Address and your Order Number to connect.

Download the Customer Portal User Guide for more information.
