Activating your license

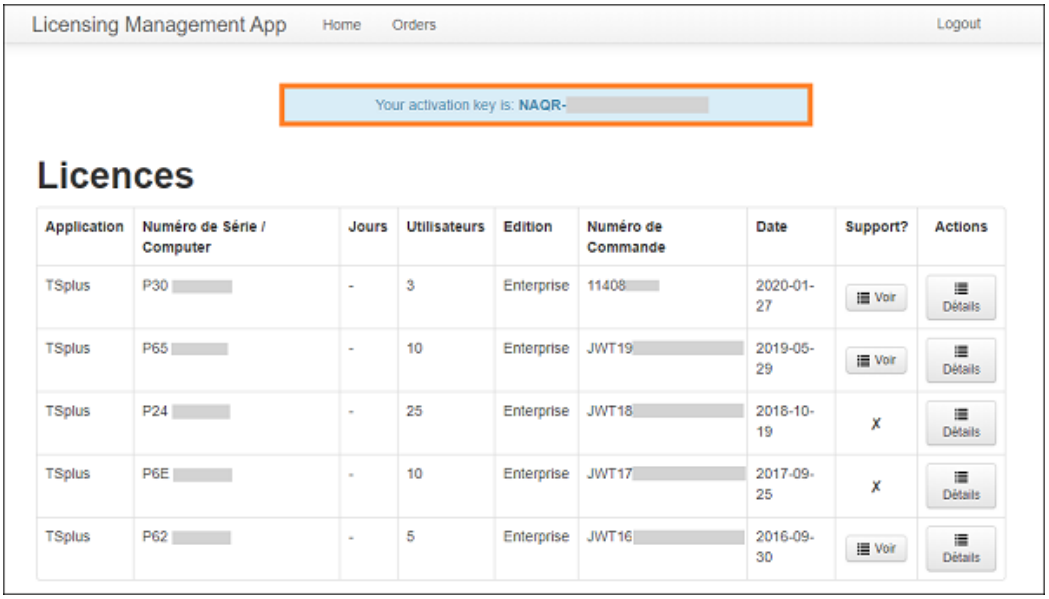

Open the TSplus Remote Support interface and click on the License tab.
Then, click on the "Activate your License" button:

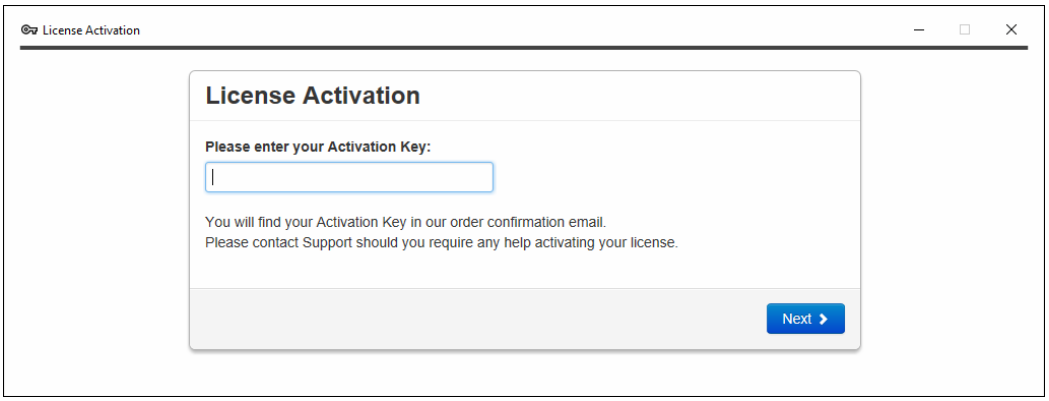

In order to get your Activation Key, connect to our Licensing Portal and enter your Email Address and your Order Number:

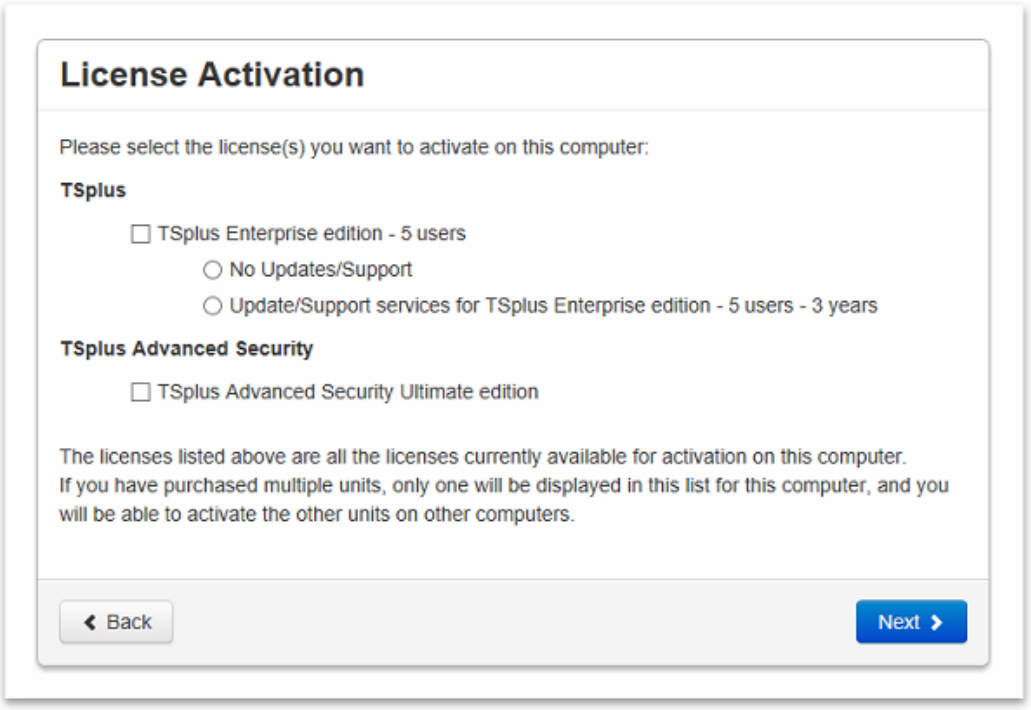

Download the Customer Portal User Guide for more information about how to use it.

Your activation key will be displayed at the top of the dashboard:

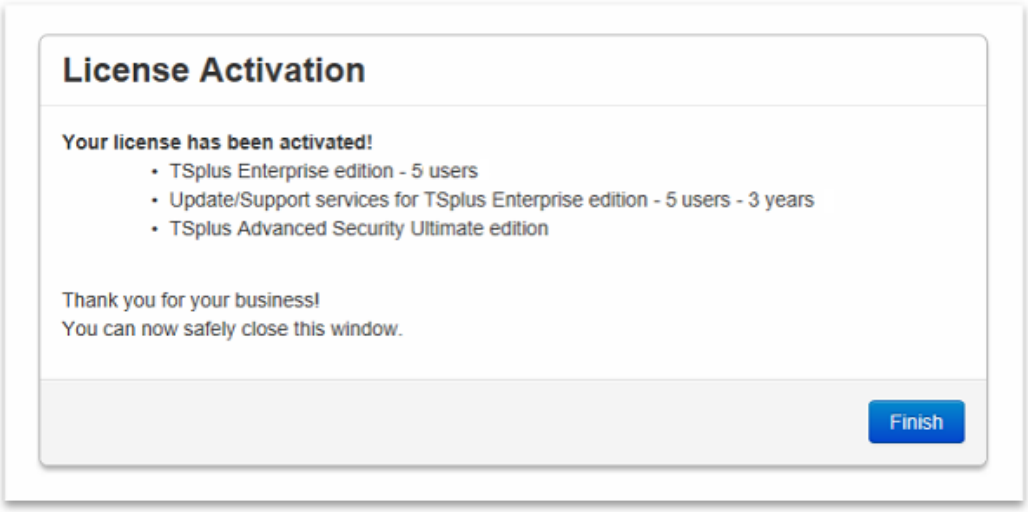

You can then enter this activation key and click on “Next” .

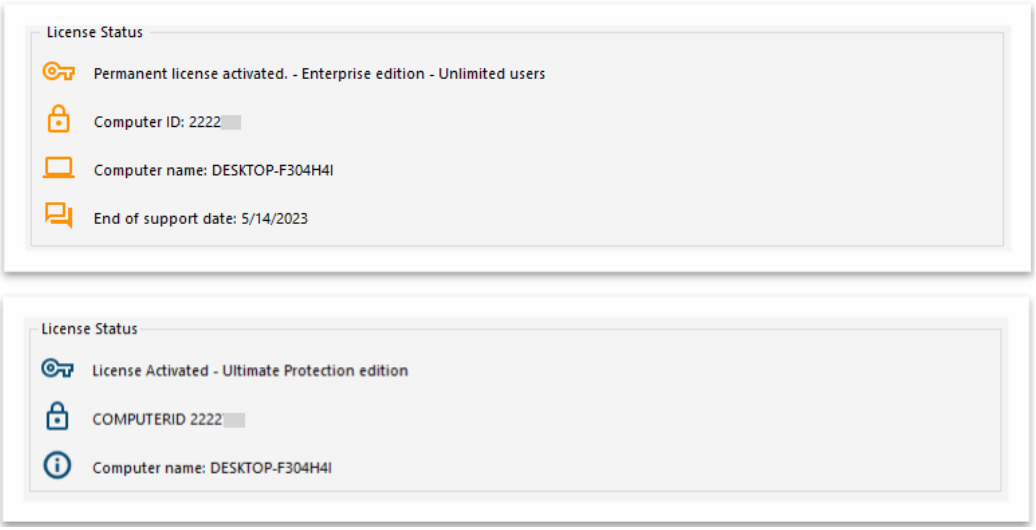

Check one or more items and click on the “Next” button. Please note that you can activate several products at the same time by checking several products/support!

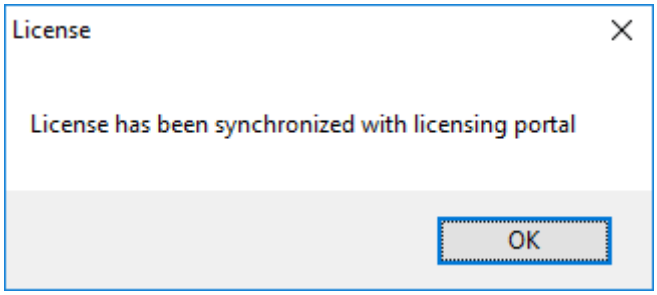

All your products/support are now activated (in this example, both TSplus with support and TSplus Remote Support have been activated at once).

Refresh your License Data by clicking on the corresponding button, it will synchronize information with our Licensing Portal:

Thank you for choosing TSplus Remote Support!
